BEFORE MOUNTING!!

HOOD TO TRUCK

THANK YOU FOR PURCHASING A JONES PERFORMANCE HOOD.

DUE TO THE MULTIPLE VERSIONS OF THE O.E. HOOD AND VARIATIONS OF HINGE TO CAB DIMENSIONS, SOME MODIFICATIONS TO YOUR 'JP' HOOD MAY NEED TO BE MADE. WE DO NOT LIKE THIS EITHER! FIELD STUDIES HAVE SHOWN 3 DIFFERENT VARIATIONS OF THIS HOOD. IT IS VERY IMPORTANT THAT THIS HOOD BE FIT BEFORE BEING PAINTED!

THE 'JP' HOOD IS A "MIDDLE OF THE ROAD" VERSION. SOME 'O.E.' HOODS ARE LONGER THAN THE 'JP' HOOD CAUSING THE 'JP' HOOD TO HAVE A MINIMUM 1 1/8" COWL GAP. FOR OTHER VERSIONS YOU MAY NEED TO TRIM THE COWL LINE DOWN FOR AN ACCEPTABLE COWL GAP.

ALSO DUE TO DIFFERENT VARIATIONS OF THE FRONT 'MACK' EMBLEMS WE HAVE NOW DISCONTINUED DRILLING THE HOLES FOR THIS. WE ARE SORRY FOR ANY INCONVENIENCE THIS MAY CAUSE FOR YOU, BUT BECAUSE OF SOME CUSTOMER REQUESTS WE HAVE HAD, WE FELT IT WAS NECESSARY TO MAKE THIS CHANGE.

IF YOU HAVE ANY QUESTIONS OR COMMENTS YOUR FEEDBACK WOULD BE GREATLY APPRECIATED. PHONE: 1-800-451-1600
