Thank you for purchasing a Jones Performance Truk-Rodz custom hood. Our mission is to make your truck look unique, personalized your way. Because of this, your one-piece custom molded hood can be altered to fit your desired look. Special attention should be given to wheel openings and fender clearance. So please read the following information and suggestions before installing your Truk-Rodz Custom hood.

**Notice:** Your O.E. chrome side plates will not fit this hood.

### **HEADLIGHT MOUNTING PROCEDURE**

You may install any style of headlights and brackets that you find. We have JJ Brackets in stock if you wish to purchase them from us or you can find them at most chrome shops. Please be sure that whatever style lights or brackets you use that they are bolted through the extra headlight reinforcement we have installed in your Truk-Rodz Custom Hood. If you use the JJ Brackets, we have included a back-up plate to bolt through. If you use another type of headlight bracket, please use large body washers to minimize the stress.

**NOTE:** We have included insulation stays and washers with your Truk-Rodz Custom Hood.
