## READ BEFORE INSTALLATION CLASSIC CUSTOM

Thank you for purchasing a Jones Performance Truk-Rodz custom hood. Our mission is to make your truck look unique, personalized your way. So please read the following information and suggestions before installing your Truk-Rodz Custom hood.

### HEADLIGHT MOUNTING PROCEDURE

You may install any style of headlights and brackets that you find. We have JJ Brackets in stock if you wish to purchase them from us or you can find them at most chrome shops. Please be sure that whatever style lights or brackets you use that they are bolted through the extra headlight reinforcement we have installed in your Truk-Rodz Custom Hood. If you use the JJ Brackets, we have included a back-up plate to bolt through. If you use another type of headlight bracket, please use large body washers to minimize the stress.
